Course Description

In this course, students will be assisted to understand many texts from various genres in the form of lectures. The students will also be provided with many listening strategies that will help them to be able to take notes and to review the lectures.

Course Objectives

By the end of this course, the students are expected to be able to:

- (1) understand many texts from various genres in the form of lectures
- (2) take notes on the lectures
- (3) review the lectures

Additionally, the class activities are so designed that the students are able to:

- (1) build up self confidence in communication in English;
- (2) develop active and constructive learning; and
- (3) improve the ability to work individually and in teams.

Activities

1. Lectures
2. Discussions
3. Assignments
4. Quizzes and tests

Evaluation

The final grade will be based on the followings:

Active participation	: 10 %	Mid-term test	: 25%
Quiz	: 20 %	Final examination	: 30 %
Assignments	: 15 %
